

DIGITAL SIGNATURE ISSUANCE FOR E-DISTRICT PROJECT

Please Note that from 20th February, 2020, Paper based Digital Signature Certificate (DSC) issuance for individual class 2 and class 3 DSC has been discontinued.

As per CCA (Controller of Certifying Authorities) guidelines, an Individual has to apply for Class 2 DSC in paperless mode only.

Henceforth, for both new and renewal DSC issuances, an individual having the authority to digitally sign certificates through e-District portal has to apply online.

The District Managers (DITEC) / District Project Managers (DPM) / District Technical Support Staff (DTSS) of respective districts will assist the officers in renewing/acquiring their DSC.

The DSCs are valid for a period of 2 years. On expiry of the DSC an applicant has to apply online afresh. The fresh certificate may be downloaded in the old DSC USB Token.

On transfer of an official from one district to another, the DSC issued needs to be retained by the officer and his/her enrollment in the e-District portal are to be carried out by the technical team deputed at district locations.

On loss of a DSC, an intimation regarding the loss has to be sent to AMTRON alongwith a police report copy.
